

welcome

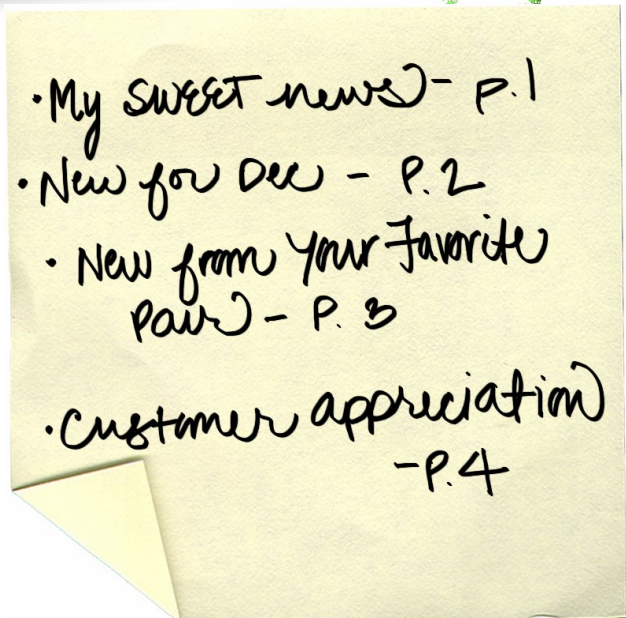

The holidays are here, and like all the little mothers/elves

everywhere – I am SWAMPED!

I hope you don't mind if I keep this newsletter short and sweet, so we can save some more time for all the little projects, and baking and wrapping that we have to do right around this time of year.

I do have a few great products to things that I am just DYING to show you. First, I have a fun and different spin on your traditional Christmas kit, second – I have a really really exciting new collaboration from [Your Favorite Pair](#) to share with you. Dani and I have teamed up again, and what we've come up with is just incredible if I might say so myself!

So, go on, keep reading and check it out for yourself. Next month, I will be as long winded and wordy as usual!!! Happy Holidays everyone. Until then, I hope you all have a magical season this year! – Shawna

U cut
 fun, funky, casual with an extra touch of Christmas thrown in. U-Cut is a perfect kit for those masculine woody christmas tree photos!

Save 20% on U-Cut through Sunday, Dec. 10th

U cut was inspired by our families annual trip to the "U-Cut" Christmas tree farm. My hubby's old carhartt hat, and warm flannel shirt, the boys and their blue overalls, and muddy little boots. That cool fresh smell of pine and the bungee chord that holds that tree on top of the family minivan – U Cut is the kit kicks off Christmas in my mind! I hope you can enjoy U-Cut, not only as a Christmas kit, but for all of those strong colored boyish (and girlish too) pictures that need a home. You can pick up U-Cut [Paper](#) or [Elements](#) or buy the full [Combo Pack](#) and save at my little scraps. Also you can find it in my store at Sweet Shoppe Designs
